In The Power Is Within You, Louise L. Hay expands her philosophies of loving the self through learning to listen and trust the inner voice; loving the child within; letting our true feelings out; the responsibility of parenting; releasing our fears about growing older; allowing ourselves to receive prosperity; expressing our creativity; accepting change as a natural part of life; creating a world that is ecologically sound; where it's safe to love each other'; and much more. She closes the book with a chapter devoted to meditations for personal and planetary healing.
